Excursion Description

Take a scenic trip north to the historic town of Paterson. Your journey will start with a glimpse of Walka Water Works Picnic Reserve as you leave the city before you pass through the rolling green countryside, Mindaribba and Tocal

Green Steam - Why Go Green?

Green Steam is an initiative to help offset the carbon emissions produced by the steam operations of Maitland Toyota Hunter Valley Steamfest. By adding \$2 to the cost of your ticket you will be investing in local renewable energy initiatives and help us on our way to a greener future.

To book your tickets visit steamfest.com.au or phone 02 4931 2877
